

SAGRERAS I

LECCION 50:

Estos acordes de cuatro notas, deberán pulsarse al principio con poca fuerza, levantando ligeramente la mano derecha en cada uno; los dedos índice, mayor y anular en dirección a la palma de la mano y el pulgar hasta unirse al índice.

LECCION 51:

Se presenta por primera vez el caso de tener que pulsar simultáneamente el bajo y nota aguda acentuada y, aunque ya el alumno ha aprendido en la lección 39ª la manera de hacerlo, si tiene alguna dificultad, hágasele practicar, arpegiando los dos sonidos, pulsando algo antes, el bajo.

LECCION 52:
